A Great boat for club or national racing. Fast and forgiving boat will keep up with all designs and give great results.

Genuine, as new condition. Water tight hull built to the highest standard by Phil Player for CM yachts. Well cared for.

Latest RMG 280 winch with smart switch. Quality rudder servo.

A, B and C rigs by Catsails. Sails as new kept in wooden varnished sail box, with carry handle.

The hull and keel have their own Catsails protective bags included in the sale.
